Astro-Cut Super SYN

Overview

ASTRO-CUT SUPER SYN is a heavy-duty oil-free synthetic cutting and grinding fluid concentrate designed to offer outstanding machining performance in even the most demanding applications, including aluminum and tough aerospace materials. This clean-running, low-foam product is stable in both soft and extremely hard water and contains additives which provide excellent rejection of tramp oils. In addition, ASTRO-CUT SUPER SYN provides rapid fine settling capabilities. This product contains no secondary amines.

Applications

ASTRO-CUT SUPER SYN has been designed for machining and grinding most metals, including stainless steels, tool steels and alloys. ASTRO-CUT SUPER SYN is formulated to prevent staining or corrosion on copper, brass, bronze or aluminum. Excellent on cast iron. ASTRO-CUT SUPER SYN should not be used for machining Magnesium. This product may be used in most coolant mist units.

Features Benefits

- Superior Machining Lubrication
- Nitrite-Free
- Chlorine-Free
- Phenol-Free
- Very Low Foam – Excellent on High Pressure or High Speed Machining
- Excellent Cooling for Ability to Maintain Close Tolerances
- Tolerant of Hard Water
- Resistant to Damage from Tramp Oil
- Water Extendable- Economical
- Long Tank Life

Recommended Concentration

Application	Concentration	Ratio	Refractometer
Miling, Driling, Turning	5% - 10%	1:10 - 1:20	2.0 – 4.0
Centerless, ID, OD, Surface Grinding	4%	1:25	1.6
Tapping, Sawing, Reaming	2.5% - 4%	1:25 – 1:40	1.0 – 1.6

Mixing

Concentration	4%	5%	6%	7%	8%	9%	10%
Ratio	1:25	1:20	1:17	1:14	1:12	1:11	1:10
Refractometer	1.6	2.0	2.4	2.8	3.2	3.6	4.0

Typical Properties

Appearance-Concentrate	Blue liquid
Appearance - Dilution	Transparent Blue
Residual Film	Soft, soluble
pH @ 20:1	9.3 ± 0.2
Specific Gravity @ 60°F	1.03 ± 0.03
Flash point, PMCC	None
